

## A DECADE OF SUPPLY CHAIN EXCELLENCE

- *GRA's 10th birthday* -

Melbourne, 17 September 2007

This year GRA celebrates ten years of supply chain excellence.

From its inception in early 1997 the company is now positioned as Australia's premier specialist supply chain consulting firm.

In the early days, the founding partners had a vision: to provide Australian companies with the best expert supply chain consulting services that would deliver measurable and sustainable benefits. Their dedication to this mission was realised early on as GRA's clients experienced real results in short time frames, and the business grew quickly through referrals.

Over the years, GRA has worked with organisations across a broad range of industries at both strategic and operational levels. The company continues to pride itself on achieving outstanding, sustainable results for its clients.

Today GRA's team of supply chain experts includes thirty professionals who work across Australia and Asia. The company's clients include The Australian Defence Force, Australia Post, Cadbury Schweppes, Wesfarmers Industrial & Safety, Fosters Australia, Honda Australia, Mitre 10, Nestle Australia, Qantas, Sara Lee Australia, Super Cheap Auto and Symbion Pharmacy Services.
