### **About GRA**

GRA is an expert consulting firm specialising in demand, inventory and supply chain optimisation. We combine expert knowledge with best-of-breed planning and optimisation systems to take your supply chain to the next level. Our experience is your experience, and we work side-by-side with our clients to ensure change is successful and benefits are sustainable. Guaranteed results are typically delivered within 8-12 weeks, and we aim for a minimum 3:1 ROI.

### **About APICS**

Since 1973, the Australasian Production and Inventory Control Society (APICS) has been a professional support structure for leaders in Australia and Asia/Pacific who work at the cutting edge of one of the most exciting areas in business today – Supply Chain Excellence. With more than 80,000 members worldwide, the APICS body of knowledge supports people who are committed to personal, professional and industry growth by the continual upgrading of knowledge and skills through APICS services: education, certification, plant visits, best practice groups, member activity nights, conferences and symposia.
